

COVID 19- HEALTH AND SAFETY INFORMATION- We're in this together!

ARIZONA TRAVELER UPDATES:

The Arizona Office of Tourism, along with state and national partners, continues to monitor the evolving COVID-19 situation. This page will be updated with news that may impact travelers to and within the state.

As of July 2020, there are no current travel restrictions for any individuals visiting Arizona. If you are traveling through Phoenix Sky Harbor International Airport (PHX) or Tucson International Airport, you will be required to wear a mask per guidelines from the [Centers for Disease Control \(CDC\)](https://www.cdc.gov).

SAFETY RECOMMENDATIONS

The [Arizona Department of Health Services](https://www.azdhs.gov) urges visitors to practice the following while traveling (those at higher risk for severe illness, take extra precautions.):

- Stay home if you're feeling sick or showing symptoms.
- Maintain at least 6 feet of distance from others while in restaurants, attractions, establishments and in lines.
- Wear a mask that covers your mouth and nose when out in public—some counties and businesses require them.
- Do not touch your eyes, nose, or mouth.
- If possible, use touchless payment (pay without touching money, a card or a keypad). If you must handle money, a card, or use a keypad, use hand sanitizer right after paying.
- After leaving an establishment, use a hand sanitizer that contains at least 60% alcohol.
- When you get home or back to your lodging establishment, wash your hands with soap and water for at least 20 seconds.
