

SHINE A LIGHT ON HEROISM

THE USS ARIZONA MEMORIAL GARDENS AT SALT RIVER

The USS Arizona Memorial Gardens at Salt River honors the brave US forces who were aboard the USS Arizona during the attack on Pearl Harbor, December 7, 1941. As a nation, we are forever indebted to those who serve and give their lives for our freedom and we are proud to honor them and share their stories in these gardens.

A PLACE TO REFLECT AND PAY RESPECT

Located east of Pima Road, between Great Wolf Lodge Arizona and Salt River Fields, the Memorial Gardens includes a piece of the original boathouse from the USS Arizona. This piece was part of the original memorial at Pearl Harbor for ten years. When completed, the Gardens will give visitors an opportunity to learn more about December 7, 1941, and a chance to reflect on that historic day and the impact it had on so many.
